BIO

I'm 26, based in Alicante, SPAIN

I develop mobile and web projects with **React** and **ReactNative**

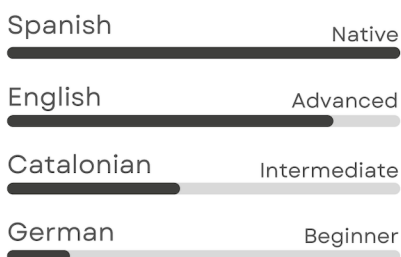

I worked in small and big teams with modern tech stacks and tools.

Development is one of my hobbies, I really like to learn, test and compare old and new technologies.

STACK

- NodeJS
- NextJS
- React-Router
- StoryBook
- Jest
- Git
- Jira
- GraphQL
- React
- React Native
- Redux
- Expo
- Bootstrap
- PrimeReact
- TailwindCSS
- TypeScript
